Dear Parents

## **Emergency Closure**

I am writing to inform you of the arrangements regarding emergency closure in the event of poor weather.

1. A decision will be made by 7 am whether the school will be closed. **Please assume that the school will be open as normal if a closure is not reported on any of the websites below.**
2. Information will be displayed on the Gloucestershire County Council website ([www.gloucestershire.gov.uk/closures/](http://www.gloucestershire.gov.uk/closures/)), on Lydbrook Primary School website ([www.lydbrook.gloucs.sch.co.uk](http://www.lydbrook.gloucs.sch.co.uk)) and also on the school Facebook page. A text message will also be sent.
3. The school telephone will **not** be manned. If you are unable to retrieve the information from the website– please make arrangements to contact a neighbour/friend who may be able to access the relevant information.
4. If there is snow during the school day and you are concerned about the homeward journey, you can make arrangements to collect your child early.
5. If your child travels home on the Joys Green bus, the school will contact the bus company and parents to make arrangements for the bus to come early.

The decision to close a school is not taken lightly. However, it is important to keep everyone's health and safety in mind including the staff who have to travel across the region. Once a decision is made to close the school, it will remain closed for the rest of the day, even if conditions improve. The situation will be reviewed by the following morning.

Yours sincerely

**S T Lusted**
