

Lydbrook Primary School

School Road, Lydbrook, Gloucestershire, GL17 9PX

Head Teacher: Mr Simon T Lusted, M.Sc.

ROBINS NURSERY

1st June 2020

Dear Parents/carers

Welcome to Term 6! What a strange world we are living in. It has been lovely to see some different faces today as we widen the opening of the school as per the Government guidance. I would like to thank the parents who brought their child to school this morning for staggering the drop-off and for using the different gates to ensure social distancing measures were observed at all times. The school has been set up following our detailed risk assessments and the children are being reminded the importance of keeping a distance from each other and to wash their hands regularly through the day. I hope you were able to see the photographs on your child's class page on the school website to show how we have set up each classroom.

It is very important for the children not yet attending school to continue with their learning at home. The teachers have set on-line learning to ensure that the very important basics are practised regularly. These include reading and number skills.

The teachers have also set a timetable for other learning to be completed and have given as much structure as possible to guide you as parents through the learning. This will not be in as much detail as during the actual "lockdown" because they now have a teaching timetable every day. These timetables can be photocopied or e-mailed to anyone who would prefer not to access them directly from the website.

To help us plan for the next 2 weeks (starting from the 8th June) we now require parents to fill in the survey again to inform us of their intentions of whether they would like their child to return to school. **Please click [here](#) to complete survey by 3.00 pm, Wednesday, 3rd June.** Any requests received after the 3rd June may not be able to be accommodated. This survey will not be repeated again until the next government guidance for widening schools. Depending on the survey results and due to lack of space following our risk assessments we may only be able to offer part-time attendance on a rota system.

Please remember that the priority groups in order are:

- Children of key workers
- Vulnerable children (either with an EHCP or with a linked social worker)
- Nursery age
- Reception
- Year 1
- Year 6

At the moment there are no plans for children in Years 2, 3, 4 & 5 to return unless they are children of key workers or vulnerable. For these year groups, new on-line learning tasks will be set each week with the timetable of learning activities, set up by the teacher. Parents can still e-mail the class teacher but they will not be able to follow up enquiries as regularly as before.

Please continue to look after yourselves and keep safe by following the guidance at all times.

Best wishes

Simon Lusted
