

LYDBROOK PRIMARY SCHOOL – NEWSLETTER – FRIDAY, 12th FEBRUARY 2021

Dear Parents,

As we reach the end of Term 3, I would like to offer my thanks to all parents for the amazing support during, what has been, a very different and difficult time for us all. I have been so impressed by all the engagement shown by the children at home and I would like to thank each parent for supporting their child/children with this. I know it has not been easy. I have also been very pleased to see so many children engaging with the Teams meetings with their class and class teachers. Not only has it been lovely to see their faces and their work that they have been busy doing, but also to see the classes coming together and linking up with their friends.

I very much hope that all children will be coming back into school soon and we wait for the government's decision on when schools will be able to fully open once more.

During the holiday period

To support Track & Trace, it is important that any positive cases of Covid-19 are reported to the school during the break. Please can you e-mail the school at admin@lydbrook.gloucs.sch.uk immediately if your child has tested positive after developing symptoms. The school admin email will be monitored twice a day. It will be our role then to inform other families in the "bubble" to ensure that any mixing does not happen to ensure that the virus does not spread.

Term 4

School will re-open for critical key workers and vulnerable children on Monday 22nd February. The children coming into school should now wear school uniform as normal except for PE days when they should come to school in their PE kits, school sweatshirt and joggers.

The home learning information will be posted on the class pages of the website, as usual, starting on the evening of Sunday 21st February.

I would like to take this opportunity to wish you and your family a happy and safe half-term break.

Best wishes

Simon Lusted
