

Lydbrook Primary School

Foundation and KS1 Acceptable Use Agreement Form

ICT including the internet, e-mail and mobile technologies have become an important part of learning in our school. We expect all children to be safe and responsible when using any ICT.

Please read and discuss these E-Safety rules with your child and return the slip at the bottom of this page. If you have any concerns or would like some explanation please contact your child's class teacher.

E Safety Rules

This is how we stay safe when we use computers:-

- I will ask a teacher or suitable adult if I want to use the computers unless it is a programme set up for me, by an adult, as part of classroom activities.
- I will only use activities that a teacher or suitable adult has told or allowed me to use.
- I will take care of the computer and other equipment
- I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong.
- I will tell a teacher or suitable adult if I see something that upsets me on the screen.
- I know that if I break the rules I might not be allowed to use a computer.

.....

We have discussed acceptable use and my child agrees to follow the E-safety rules and to support the safe use of ICT at Lydbrook Primary School.
