KS2 Acceptable Use Agreement Form

ICT including the internet, e-mail and mobile technologies have become an important part of learning in our school. We expect all children to be safe and responsible when using any ICT.

Please read and discuss these E-Safety rules with your child and return the slip at the bottom of this page. If you have any concerns or would like some explanation please contact your child's class teacher.

E Safety Rules

- I will only use ICT in school for schoolwork or homework.
- I will not use my own personal email in school.
- I will only use my personal login details.
- I will only print once permission has been granted.
- I will make sure that all ICT contact with other children and adults is responsible, polite and sensible.
- I will not deliberately look for, save or send anything that could be unpleasant or nasty.
- If I accidentally find anything like this I will tell my teacher or a suitable adult
- I will not give out my own details such as my name, phone number or home address. I will not arrange to meet someone unless this is part of a school project approved by my teacher and a responsible adult comes with me.
- I will be responsible for my behaviour when using ICT because I know that these rules are to keep me safe.
- I know that my use of ICT can be checked and that my parent/carer will be contacted if a member of school staff is concerned about my E-Safety.
